SHINE.™

INSTITUTION & FOOD PREPARATION

These detergents contain Accu-blended™ formulations to give you a powerfully effective and safe cleaning experience.

CHLOROCLEAN **512**

Contains chlorine for added cleaning power. Cleans up greases, oils and carbon related soils. Safe to use on food preparation surfaces. Contains ScaleStop™ to protect machine systems from scale build-up. Great for protein and fat removal.

Ideal for: bakeries, restaurants, packing plants, schools, hog confinements.

Description: clear liquid. 10% actives. Ships UPS.

Application: upstream, downstream, pre-spray, hot or cold water.

SUPER BLITZ **525**

For use in baked-on and carbon-stained surfaces. Also works excellently as a paint stripper on tough paint stripping projects. Contains ScaleStop™ to protect machine systems from scale build-up.

Ideal for: bakeries, packing plants, restaurants and most hard-baked kitchen applications.

Description: brown liquid. 20% actives. Ships UPS (finished product ONLY.)

Application: pre-spray, hot water.

CLEAN CLOTHES **527**

Exclusive Optic™ brighteners and surfactant package cleans your toughest soils. Designed to be gentle on your clothes. Rinses free.

Ideal for: hospitals, restaurants, assisted living, nursing homes.

Description: white powder. 100% actives. Ships UPS.
