

RPSI
detergents
SHINE.™

SPECIALTY

Highly precise, these detergents are delicately formulated to fit exact environments – ensuring the job is done right and done well the first time.

IRON PHOSTIGHT 519

For use with high pressure cleaning. Cleans and phosphatizes in one step. Very effective in removing oily type soils. Contains ScaleStop™ to protect machines systems from scale build-up.

Ideal for: steel, iron, aluminum and aluminum alloys.

Description: clear liquid. 23% actives. Ships UPS (finished product ONLY.)

Application: upstream, downstream, hot water.

POWER BLAST 3 526

Removes toughest grease, grime and carbon build-up found in industrial food environments. Also effective as a paint and powder coat stripper.

Ideal for: hoods, deep fat fryers, grills, most restaurant equipment, peanut oil. (Not for use on cars, trucks, aluminum, painted surfaces or galvanized metals.)

Description: brown liquid. 31% actives.

Application: downstream, pre-spray, hot or cold water.

SCALE AWAY 529

Unique formulation containing no phosphates or chromates.

Ideal for: hard water scale, rust soap scum, mineral build up and coil cleaner.

Description: white powder. 100% actives.
